EDUCATION

Spelman College – *Atlanta, Georgia* ***August 2021- May 2025***
Magna Cum Laude, Bachelor of Science, Computer Science & Information Systems
GPA: 3.73

- **Honors:** Dean's List, High Honor Roll, Alpha Lambda Delta Honor Society, The National Society of Collegiate Scholars, Upsilon Pi Epsilon Honor Society, Ethel Waddell Githii Honors Scholar, Zynga Gaming Scholar, and The National Society of Leadership and Success (NSLS)
- **Relevant Coursework:** Discovering CS: Python, Computer Science 1 C++, Data Structures and Theorem Foundations, Data Structures and Algorithm Analysis, Programming Languages, Game Design and Narrative, Game Development 1, Intro to Database Management Systems, Operating Sys/Computer Architecture, Cyber Security, Calculus 1 & 2, General Statistics, Discrete Math, and Software Engineering

WORK EXPERIENCE

Spelman Connect – Atlanta, GA
Software Developer ***January 2025 – May 2025***

- Built a secure full-stack web application (React, Express, Supabase) with real-time chat and event listings.
- Implemented multi-factor authentication and domain-restricted access, enhancing data privacy.

Spelman Wellness – Atlanta, GA
Web Development Intern ***August 2024 – December 2024***

- Developed an accessible mental health website with privacy-focused features like dark/light mode, text resizing, and screen reader support.
- Applied secure coding practices to protect user data.

Ghost Gaming – Atlanta, GA
Game Development Intern ***June 2024 – August 2024***

- Created interactive gameplay systems using Verse scripting in Unreal Editor for Fortnite (UEFN), applying modular design and debugging techniques for real-time performance.
- Worked in an agile, cross-functional team to prototype, test, and iterate on features, gaining experience with version control, collaborative development, and user-centered design.

SKILLS & CERTIFICATES

Programming Languages: SQL, Python, JavaScript, C, C#, C++, Java, PHP, HTML, CSS, Assembly (x64), Verse, React, TypeScript
Tools & Skills: Technology Strategy, Digital Transformation, Data Analysis, GitHub, Agile Development, UX/UI Design
Certification: Google Cybersecurity Certificate (Ongoing)

LEADERSHIP ACTIVITIES & VOLUNTEER EXPERIENCE

Computer and Information Sciences Department Tutor – *Atlanta, Georgia* **February 2024 – May 2025**
Tutor

- Provide one-on-one tutoring for programming languages (Java, Python, C++), Data Structures & Algorithm Analysis, and any computer science problem they could come across.
- Assist students in debugging code and understanding complex concepts.
